*As a preschool teacher, it is important to me to provide practical and comfortable seating in the reading area of my classroom. This couch is the absolute best in quality and comfort I have purchased in my 20 years of teaching. The children love relaxing on their reading couch, while exploring a new book! It is also very easy to clean with its removable cover and the craftsmanship is excellent. The fold-out option is a plus for nap time as well.*

The factory is located in Poland and is well connected with Europe by road and the rest of the world by sea port in Gdynia.

Our modern machine park allows to shorten delivery times and increase your profits thanks to great production flexibility.

With MOQ starting from 50 pcs, fully digital fabric printing technology, we are your reliable partner in advanced sales processes planned just in time.

We are equipped with industry's leading dye sublimation machines

### **Dye sublimation department**

Delta Trade's fabric printing department is equipped with newest Epson sublimation printers.

### **Lightning fast**

High speed - elastic production helps us achieve our clients sale and distribution goals.

## Vibrant colors

Our machines can print in the CMYK + fluo profile, thanks to which we are able to achieve much larger color palettes and tonal transitions, and additionally obtain bright fluo colors.

## High speed

Thanks to the latest machines with high production flexibility, we can print fabrics both from roll to roll or from cutting patterns.

Our factory respects its workers, production takes place in an atmosphere of respect and fairness. Employees enjoy fair working conditions and full support, which translates into high-quality products
